March 16, 2020

Dear Students, Parents, & Families,

Crown Point Central School is dedicated to our students' education as well as health & safety. Thank you for your patience as we navigate through these uncharted waters surrounding the Coronavirus (COVID19). Our teachers and support staff have been working diligently the last few days to put plans in place for your children's educational and nutritional needs. Later this week the district will deliver directly to homes, both meals (if requested) and educational materials for students to work on during our unforeseen closure. Our goal is to deliver food weekly, however, that time frame may be changed or modified as we gain more direction from the Essex County & NYS Departments of Health, New York State Department of Education (NYSED), and the Governor of New York.

At this unprecedented time we must take precautionary measures to protect the health and safety of all of our stakeholders: students, staff, families and community members. We will do our best to make sure all our students' needs are met. We will continue to update you in the next few weeks as information develops. Again, thank you for your patience and we will get through this together.

Yours in Education,

Shari L. Brannock
