

H is for the
hundreds of
you, Panthers
that Mrs.
Brannock and I
miss terribly
everyday.

O is for Optimism.

Things are being
done differently
than ever before in
education, keep
your chin up and
keep smiling.

P is for peace of
mind. We are
trying to provide
you this during this
unprecedented
time.

E is for
education. It is
your right and
our pleasure to
continue
provide you
with one.

If Dr. Seuss were still with us
he would say, "We will teach
tiny humans here or there,
we will teach tiny humans
everywhere."

And that's just what CPCS is
doing! Go Panthers!
